## Equipment

REFERENCE	MODEL	DESCRIPTION	QTY.
-----------	-------	-------------	------

### EQUIPMENT 1

2010372	LD301-D Sputnik	Sputnik LED directional light (right side), (5) LEDs of 1W, blue light, w/o flasher, blue smooth lens, cruise light, swivel mount, 12V	1
2010373	LD301-I Sputnik	Sputnik LED directional light (left side), (5) LEDs of 1W, blue light, w/o flasher, blue smooth lens, cruise light, swivel mount, 12V	1
2005363	CO301 Sputnik	Omnidirectional Sputnik LED head, telescopic pole mount in (3) sections,(10) LEDs of 1W, blue light, w/o flasher, blue smooth lens, cruise light, 12V, UN R65 approved	1
8235748C	UC300 Sputnik	Sputnik Control Unit, (3) Outputs, SCS1000 compact siren and MC300 controller connection, 12V	1
4004233-01	MC300 Sputnik	Motorcycle Control allows to control all functions of the 300 Sputnik Series and siren : priority warning lights (LD300 and CO300), "Stop Light" function, cruise light and continuous siren	1
2020200	SCS1000	30W Compact siren, (16) tones, programmable, with mounting hardware, w/o wiring harness, 12V	1
8299306	SCS1000-BLOCK	Silent block kit, SCS1000 / ALS1000	1

### EQUIPMENT 2

2010395	LD312-D Sputnik	Sputnik LED directional light (right side), (4) blue LEDs of 1W, (1) red LED for "Stop Light" function, blue smooth lens, swivel mount, 12V	1
2010396	LD312-I Sputnik	Sputnik LED directional light (left side), (4) blue LEDs of 1W, (1) red LED for "Stop Light" function, blue smooth lens, swivel mount, 12V	1
2005363	CO301 Sputnik	Omnidirectional Sputnik LED head, telescopic pole mount in (3) sections,(10) LEDs of 1W, blue light, w/o flasher, blue smooth lens, cruise light, 12V UN R65 approved	1
8235748LC	UC300LC Sputnik	Sputnik Control Unit, (3) Outputs, SCS1000 compact siren and MC300 controller connection, "Stop Light" and cruise light, 12V	1
4004233-01	MC300 Sputnik	Motorcycle Control allows to control all functions of the 300 Sputnik Series lights and siren: priority warning lights (LD300 and CO300), "Stop Light" function, cruise light and continuous siren	1
2020200	SCS1000	30W Compact siren, (16) tones, programmable, with mounting hardware, w/o wiring harness, 12V	1
8299306	SCS1000-BLOCK	Silent block kit, SCS1000 / ALS1000	1

### EQUIPMENT 3

2010311	LD300-D Sputnik	Sputnik LED directional light (right side), (5) LEDs of 3W, blue light, w/o flasher, blue smooth lens, cruise light, swivel mount, 12V UN R65 approved	1
2010312	LD300-I Sputnik	Sputnik LED directional light (left side), (5) LEDs of 3W, blue light, w/o flasher, blue smooth lens, cruise light, swivel mount, 12V, UN R65 approved	1
2005363	CO301 Sputnik	Omnidirectional Sputnik LED head, telescopic pole mount in (3) sections,(10) LEDs of 1W, blue light, w/o flasher, blue smooth lens, cruise light, 12V, UN R65 approved	1
8235748C	UC300 Sputnik	Sputnik control unit, (3) Outputs, SCS1000 compact siren and MC300 controller connection, 12V	1
4004233-01	MC300 Sputnik	Motorcycle Control allows to control all the functions of the 300 Sputnik Series and siren:priority warning lights (LD300 and CO300), "Stop Light" function, cruise light and continuous siren	1
2020200	SCS1000	30W Compact siren, (16) tones, programmable, w/ mounting hardware, w/o wiring harness, 12V	1
8299306	SCS1000-BLOCK	Silent block kit, SCS1000 / ALS1000	1

### OPTIONS

8216113	SCS1000-PA	SCS1000 Public address kit, with volume and microphone functions control	1
2021049	ALS1000	30W Compact speaker, 6 Ohm, reduced dimensions	1
2010409	CLD-C/R	Directional Sputnik LED kit, (2) high intensity compact LED lights, red light, Control box, 12V	1

## Mounting and wiring kits

REFERENCE	DESCRIPTION	QTY.
-----------	-------------	------

### F-650

81521670	Special mounting bracket for LD300 light	2
8299262	Special mounting kit bracket for CO300 telescopic pole	1
8299264	Special mounting bracket for SCS1000 compact siren	1
81521314	Cover kit for wire output	1
82441129	Complete wiring kit for 300 Sputnik series and SCS1000 compact siren	1
